## Running to Win

Sometimes we struggle to know what God's will is for our life, but every man is called to a greater purpose. Reaching our potential and living out our purpose does not happen accidentally. Join us on August 20th as we discuss these three critical questions:

1. How do I find God's purpose for my life?
2. How do I walk in His purpose?
3. How do I remain in His purpose?
